

## Quality Policy

*Proactive Asbestos Control aim to provide a comprehensive, efficient and reliable Asbestos Removal and Survey Service using skilled personnel, quality products and the latest technology to meet our customer requirements and expectations.*

*This is achieved through our Quality Management System that meets the requirements of ISO 9001: 2015 and also ensures our business processes are carefully monitored, measured and controlled to promote a continual improvement in our business performance. The Company is also committed to complying with all relevant statutory legislation and operating to industry best practice standards and guidelines.*

*In accordance with best management practice, particular attention is paid to the provision of a safe and healthy workplace, the reduction of our environmental impact, the training and development of our staff, increasing our customer satisfaction and the growth of mutually beneficial supplier relationships.*

*This Policy is reviewed monthly at our Senior Management Meetings and is the basis for our quality objectives. These are communicated to all employees and contractors to promote both their involvement and commitment to the improvement of our business.*
